"YES, AND, FINISH"

Abraham sent his servant to get a wife for Isaac. When he arrived at the water hole near the village where Abraham had authorized him to go he stood and prayed, "Give me success today; May it be that when I say to a girl, please let down your jar that I may have a drink, and she will say, 'drink, and I'll draw water for your camels too' - let her be the one you have chosen for your servant Isaac. By this I will know that you have shown kindness to my master."

Before he had finished praying Rebekah, who was a very beautiful virgin, came out with her jar on her shoulder, filled the jar with water and began to walk toward Abraham's servant who hurried to meet her and said. "Please give me a little water to drink from your jar." 'Drink my Lord,' she said' and quickly lowered the jar to her hands and gave him a drink. I'll draw water for your camels too, until they have finished drinking."

Rebekah is a shadow of Jesus. Jesus is the one who found us thirsty and gave us drink. Jesus is the one who meets all of our other needs as well. Jesus is the one who finished the task of meeting all of our needs. He is the one that said to his Father on the cross "It is finished." Jesus is the original YES, And, Finish person.

May we all be like Him. Say Yes to God And and allow him to finish His work in You!

YOUTH NEWS

What an exciting weekend we had! On Saturday we had a Ministry Meeting that was positive and energetic, despite the fact that it was 8am in the morning. Everyone there was full of excitement and enthusiasm for the potential that exists at our church. Then the joy that began there was carried over into Sunday as Keke preached a powerful sermon about saying "Yes" to God. Even the lesson that was prepared on the Parable of the Tenants really encouraged us all to recognize the gifts that God has given us and to be careful not to waste them, but to use them for his glory. This can be applied both in the church and throughout His kingdom. In the teen class, I asked them all to share something they have said "yes" to and how God has blessed them because of it. It was awesome to hear from each and every student, including the visitors. Many of them spoke about saying "yes" to a sport and how it has kept them out of trouble. Some have even used their sport to influence others in a positive way. Others shared about saying "yes" to moving to a

new school or a new home, and how God has allowed them to meet new people, leave old habits, and lead better lives. A couple of them expressed how saying "yes" to baptism changed their lives completely. In light of the Parable of the Tenants, we even had one student share how he had wasted the gifts that God had given him and the regret he has because of it. It was such a powerful testimony for every student in the class, better than anything I could have taught that day. This was not something I planned, but I was so proud of this young man's boldness and his willingness to share his testimony. I'm quite sure his sincerity was felt from all the kids, and his words will be remembered for some time. I am so thankful for moments like these. God is so good when we give Him the space and allow Him to work!
